GP TECH SUIT

AUTO RACING / SIZE: 44-60 EUR

Complies with FIA8856-2000 homologation standard. -- Ultra-lightweight 3-layer Nomex® construction with highly breathable panel inserts. -- Full floating arm constructed with knit fabric for freedom of movement. -- AC fabric on back, arms and legs to aid body heat transfer and moisture absorption. -- Anatomical accordion stretch panel providing greater

flexibility and superior fit, both in and out the car. -- Improved armpit construction reducing the number of layers (from 3 to 2) for enhanced freedom of movements. -- Soft collar with knit fabric for supreme comfort. -- Specifically shaped arm and leg pattern for an ergonomic. -- Shoulder epaulettes.

8856-2000

335 209 10 black

335 209 13 black red silver

335 209 19 silver

GP PRO SUIT

AUTO RACING / SIZE: 44-60 EUR

Complies with FIA8856-2000 homologation standard. -- 3-layer Nomex® construction with lightweight Carbon-X mid layer for enhanced fire/heat protection. -- Soft Preox® knit lower back and lateral stretch panels for unrestricted movement and breathability. -- Close fitting suit with adjustable belted waist for racing performance. -- Full floating arm constructed

with knit fabric for freedom of movement. -- Adjustable collar. -- Mesh Nomex® lining. -- Ribbed wrist and foot cuffs. -- Shoulder epaulettes.

8856-2000

336 009 10 black

336 009 19 silver

STELLA GP-PRO SUIT

WOMEN'S AUTO RACING / SIZE: 38-50 EUR

-- Complies with FIA 8856-2000 homologation standard. -- Specifically designed to fit female drivers with unique Alpinestars shaping and fit to ensure driving comfort. -- 3-layer Nomex® construction with lightweight Carbon-X mid layer for enhanced fire/heat protection. -- Soft Preox® knit lower back and lateral stretch panels for unrestricted movement and breathability. -- Close fitting suit with adjustable belted waist for racing performance. -- Full floating arm constructed

with knit fabric for freedom of movement. -- Adjustable collar. -- Mesh Nomex® lining. -- Ribbed wrist and foot cuffs. -- Shoulder epaulettes.

YOUTH: 335 350 30 red

YOUTH: 335 350 70 blue

K-MX 7 KART YOUTH SUIT

KART RACING / SIZE: 130-150 cm

Meets CIK FIA Level2 homologation. -- Youth specific sizing and fit. --- High performance nylon outer layer. -- Mesh panels positioned on top of shoulders, armpits and seat area for ventilation. -- Full floating arm constructed with Stretch Cordura provides freedom of movement. -- Comfortable, poly mesh lining in torso area. -- Lumbar area stretch inserts

for flexibility while in and out of the kart. -- Knitted wrist and ankle cuffs. -- Shoulder epaulettes. -- Adjustable collar. -- Adjustable waist belt for customizing fit. -- 2 flat pockets.

TECH 1-ZX GLOVE

AUTO RACING / SIZE: S-XXL

8856-2000

Complies with FIA 8856-2000 homologation standard. -- Innovative Nomex® construction -- External seams for maximum driver comfort and feel. -- Strategically positioned textured Pittards® leather patches and silicone printing provide maximum feel, grip and impact resistance -- Pre-curved finger and palm construction to aid optimum fit and reduce material bunching. -- Temperature sensitive lining for comfortable, dry feel -- Thumb construction updated for improved comfort. -- Finger fourchette cross stitching for re-enforcement and prevention of twisting. -- Alpinestars exclusive cuff opening design with distinctive black Velcro® closure flap common on all Tech 1-ZX color combinations.

TECH 1-Z GLOVE

AUTO RACING / SIZE: S-XXL

8856-2000

Complies with FIA 8856-2000 homologation standard. -- Innovative Nomex® construction -- Ergonomically positioned memory foam backed Pittards leather palm and finger patches for optimum grip -- Padded knuckle protection. -- Pre-curved finger and palm construction to aid optimum fit and reduce material bunching. -- Temperature sensitive lining for comfortable, dry feel. -- Velcro® wrist closure for secure fit. -- Thumb construction updated for improved comfort. -- Finger fourchette cross stitching for re-enforcement and prevention of twisting. -- Straight-cut cuff. -- Velcro® wrist closure strap.

ZX-NOMEX TOP/BOTTOM

TECHNICAL UNDERWEAR / SIZE: XS-2XL

8856-2000

Complies with FIA8856-2000 homologation standard. -- Athletic, asymmetric front/rear cut for a comfortable driving position. -- Flat seams designed to reduce pressure points and improve strength. -- Exclusive 30mm Preox® stretch waistband creates an ultra thin profile under belt.

NOMEX TOP/BOTTOM

TECHNICAL UNDERWEAR / SIZE: S-XL

8856-2000

Complies with FIA8856-2000 homologation standard. -- Fabric stretches for a close and comfortable fit. -- Tall collar for improved protection.

TOP: 475 349 10 black
BOTTOM: 475 359 10 black

THERMAL TECH TOP/BOTTOM

TECHNICAL UNDERWEAR / SIZE: S-3XL

Developed for cold weather conditions. -- Warm Tack fabric construction. Fibre is a stretch Nylon, Nano treated for effective heat conductivity and moisture wicking. -- Ergonomic flat lock seam construction. -- Compression fit design to reduce muscle fatigue in both the top and bottoms. -- Printed ASTAR logo.

TOP: 475 348 10 black
BOTTOM: 475 358 10 black

TECH BASE TOP/BOTTOM

TECHNICAL UNDERWEAR / SIZE: S-3XL

-- Tech Karting Top and Bottom. -- Ideal for karting, to provide comfort and body heat transfer under a racing suit. -- Comfortable COLDTACK, moisture wicking, fabric construction helps to conduct heat evenly throughout, keeping the driver cooler and more comfortable. -- Micro-perforated insert panels to give additional breathability. -- Flat lock stitched seams ensure pressure point reduction and greater comfort.

ZX NOMEX HOOD

TECHNICAL UNDERWEAR / SIZE: ONE SIZE

Complies with FIA8856-2000 homologation standard. -- Double layered face area for extra protection. -- Flat seams designed to reduce pressure points and improve strength. -- Fabric stretches for a close and comfortable fit. -- Mouth opening for drink tube access.

TECH 1-K SHOE

KART RACING / SIZE: 2.5-13 US (excluding sizes 3 and 4)

Combination of hightech microfiber leather and mesh construction -- Ultra light, improved feel and added breathability.
-- Mesh panels placed in the tongue, heel and side offer excellent ventilation. -- Ultra-thin, Formula1 specification sole is

formulated using Alpinestars exclusive rubber compound for pedal sensitivity and grip, in both wet and dry conditions.

F1 SPORT SHOE

CASUAL / SIZES PRODUCED: 6-14 US / CORRESPONDING TO: 38-48 EUR

Upper made from ultra lightweight, supple, synthetic leather. Soft and durable polyurethane (PU) molded heel for maximum durability and cushioning. -- Ultra low profile sole with a layered, sandwich, construction. Inner lining is made with 2mm EVA foam for comfort. Pressed internal midsole with glued steel shank for added comfort and support, coupled with an ultra-thin rubber outsole for greater flexibility and reduced weight. The outsole is oil resistant. -- Alpinestars exclusive speed lace closure means quick and precise fitting. The PR Nylon laces run through PU eyelets and are secured with a self-locking clasp and the end of the laces can be secured either with the Velcro® tab on the heel, or, within a loop on the tongue.
